

VAC 'N, BLO® CLASSIC SERIES

Give your car the star detailing treatment with the **Vac 'N, Blo® Classic!** With even more versatility than before, the Vac 'N, Blo® Classic adds a four-wheel Velcro dolly and swivel carpet/floor tool to the already popular Vac 'N, Blo® Automotive package. It has the same great power and performance of the twin fan 4.0 peak HP motor with the convenience of being able to roll it around on four sturdy wheels. This durable car dryer and vacuum is completely portable and lightweight, making it the perfect tool for any size vehicle. The Vac 'N, Blo® Automotive by MetroVac can also be used to clean your home, garage and yard. It can even be used to inflate rafts or air mattresses!

VAC 'N, BLO® COMPACT WALL MOUNT

Deep cleaning the interior of any car, truck or SUV is a breeze with the MetroVac **Vac 'N, Blo® Compact** wall mount. This unique compact powerhouse features a set of legs that are riveted to the base of the unit designed to slide in and out of the convenient wall mount bracket.

Because of its exceptional power and versatility, your Vac 'N, Blo® will also do triple duty as a house vac, high-powered blower/dryer or inflator (Magic-Air® inflation adapters included).

The 4.0 peak HP motor leaves others in the dust, and the rugged, all-steel construction is built to last. Yet, it is still lightweight, compact and easy to handle.

FEATURES

- All-steel construction
- 4.0 Peak HP commercial quality motor
- 95" of water lift
- Full range of specialized automotive attachments
- Made in the USA
- The first choice of professional detailers and car enthusiasts worldwide.
