

VAC 'N, BLO® PRO SERIES

The Vac 'N, Blo® Pro Series from MetroVac is the “original” wall-mounted garage-detailing vacuum cleaner.

The **Vac 'N, Blo® Pro Series** provides exceptional power and versatility, while conveniently mounting to the wall with a total of 24 feet of hose for easy accessibility. The **Vac N Blo® Pro Series** includes a vast array of specialized detailing vacuum cleaner attachments to provide you with the professional results in minutes. As a blower, it clears water and blasts dust from inaccessible areas of your car, like AC vents and shift boots.
